Main Objective

I want to do what I love to do. Creating great pieces in video, on the web, on the radio, in print, anywhere. If you enjoy what you do, you will never work a day in your life.

Full-Time Experience

Senior Video Editor and Designer – *MediaMix, Inc. (September 2006 to present)*

Videography, editing, animation, duplication, for medical, corporate, and industrial videos. Set up studio shoots including lighting, camera, mics, etc. Audio engineer for call-in recordings and in-studio productions. Ensure projects are completed and delivered on schedule. Redesigned and programmed website. Voice-over for various projects.

Graphic Designer/Editor – *Gráfica Interactive, Ltd., Chester, NJ (September 1998 to July 2002)*

Layout and design of web sites, logos, and multimedia presentations, CD-ROMs, company reels, proposals, voice-overs, and encoding audio and video for web and CD-ROM distribution.

Production Assistant – *Gráfica, Inc., Chester, NJ (July 1993 to April 1997)*

Layout and creation of various prototype items, ads, brochures, and displays using pre- and post-press proofs. Sound design for animatics, web sites, and CD-ROMs.

Freelance Experience

Audience Reaction – *Paramount Pictures, Universal Studios, New Line Cinema, New York, NY & Plano, TX (2008)*

Discreetly shoot audience reaction of movie only using available light from movie screen. Recorded directly to DVD and DVCAM to hand to client upon end of focus group, which was recorded as well.

Video Production – *Anabec Corporation, Clarence, NY (January 2005)*

Produced, directed, shot interviews, recorded voice-over, and created animations and lower thirds for promotional video to be used at tradeshow, web, and general distribution on DVD.

Video Production – *H&R Construction Parts and Equipment, Inc., Buffalo, NY (January 2005)*

Produced, directed, shot interviews, recorded voice-over, and created title animations and lower thirds for promotional video to be used at tradeshow, web, and general distribution on DVD.

Video Production – *Rapistak Corporation, Buffalo, NY (August 2004)*

Edited and created title animations and lower thirds for promotion at tradeshow, web, along with replication of 1,000 copies for general distribution on DVD.

Video Production – *The Breast Center at St. Michael's, Newark, NJ (June 2004)*

Shot interviews, edited, and created title animations and lower thirds for promotional video to be used in public and private fundraising events. Burned to DVD for distribution.

Animation and Music for Television Spots – *New Jersey Office of the Attorney General (May 2004)*

Animated walking crutches for a PSA designed to inform the public that people who file false medical claims are going to be caught. Created music which was used in four additional spots in the campaign.

Video Production – *"A Living Passion", Gladstone, NJ (April 2004)*

Shoot, create titles, design DVD/case artwork, and replicate 100 copies of a local church member-driven performance, "A Living Passion."

Graphics for Video – *Sorin Productions, Inc., Freehold, NJ (October, 1998, May 1999)*

Create animated bumpers and lower third IDs in After Effects for third-party government proposal. Animated graphics for discount-store television commercials.

Camera – *The Jim Nolan Show, Tampa, FL (1998)*

Mobile camera operator videotaping interviews and show highlights on location at various events.

Grip/Camera – *Orlando Arena, Orlando, FL (1997-1998)*

Assist during Orlando Solar Bears hockey games and work camera for events between periods.

Camera – *Florida Motion Picture and Television Assn., Central Florida Chapter, Orlando, FL (November 1997)*

Shot interviews with guest stars and vendors at outdoor promotional event.
